

# BULLDOG ZONE

## A Word from the Principal

By Hannah McBride and Caroline White

We asked Dr. Bruce if she thinks the Bulldog Zone influences children in the school and why. She told us that it does influence the children because it gives good, valid information about the school programs.

The second question we asked her was whether or not she thinks the Bulldog Zone staff is doing a good job. She said that she thinks we're doing an exceptional job because our articles are very news worthy. They are clear and informative, and they let the students and the staff know what's going on at MLGES.

Our third and final question was if she had anything else to say about the Bulldog Zone. She told us that she thinks it's one of the best newspapers that has ever been published! She also said that she enjoys seeing the newspaper staff working so hard to report the news in an accurate, timely fashion. She's not just saying this because it's her school but because she is a very good writer herself so she appreciates the excellent writing form that has been used.

Well, that is what she has to say about the Bulldog Zone!

## Custodians on Fire!

by Hannah McBride and Samantha Grimm

We talked to Mr. White, our head Custodian, about our school winning the Beautification Award! At the Board of Education, a lot of schools have been presented the same award, but we have won it 11 times in a row! We have always had a clean school and now we have 11 awards to show off to everybody.

Mr. Alexander Roberts, from the Board of education, comes once a month to check the schools for cleanliness. Mr. Roberts is the supervisor for the custodians. The schools are scored. The scores must be 95 or above. Mamie Lou Gross has received the award 11 times straight. On Tuesday night our school won the last award. The reason we have received all these awards is because we have a very clean school. It was Mr. White received the award at the board, but he says receiving the award is because of the entire custodian staff. They are a team, and it isn't all independent work.

The other staff members are Mrs. Smith, Mr. Strong, and Mr. Dawson. As you all know they all work very hard, and that is why we have gotten this award so many times.

Appreciate your custodians!

## Jump!

by Hannah McBride, Stacey Dannemiller, and Caroline White

On the day of our Black History Assembly, a few 5<sup>th</sup> graders (Hannah McBride, Stacey Dannemiller, Caroline white, Tia Herring, Halie House, Parrish Bartlett, Masteka Henry, Jalan Stevens, Mechelle Marsh, and Jameria Hamilton) jumped for Black History Month. The whole school was watching us, so we were very nervous! This event happened in the school gym. The reason we did this was because we decided to put more entertainment into the Black History Month program. The most important thing that happened was that we had fun, and we all learned together that just a jump roping appearance doesn't mean you had to lose your friendship.
