Our Wild Adventure!

The Bulldog Zone staff, that I was in, has worked so hard this year and Mrs. Samuel thought that we needed a treat. We all thought that we were going to be going to the Florida Newspaper Factory, but we all got a big surprise. We got to go to WILD ADVENTURES!!!! She told us that we deserved a day off of work and we should have some fun. She gave us a field trip form for Wild Adventures and we were going on Friday the 13th. That was last Friday and we had a BLAST!!! We saw so many amazing animals and the thrill rides were awesome!! We only got to stay for 5 hours but we all agreed that it was the best 5 hours of our life. Some people had never been on a roller coaster before, but since everything looked so amazing they took their chance and they went on the shockers and had a great time. Of course Mrs. Samuel and our other two Bulldog Zone sponsors, Ms. Bazemore and Mrs. Ellerson went along too! We had many parent volunteers venture with us, Mrs. Daniel, Mr. and Mrs. White... We all got in groups and we went off in our own ways. Most of the adults were very brave and road the rides too!!

I went with Mr. and Mrs. White and we all had a blast. After we had our fun for half of the day we went and ate, then after we fueled ourselves we went and had more fun. We only had 2 more hours to do more amazing things. We tried to go on as much rides as we could and then our chaperones told us it was time to leave the WONDERFUL park. We were all so sad, but yet we were all so tired. Right after everyone got on the bus we just fell asleep and slept like a baby on the bus seats. Then, before you know it we were at school and driving home. Finishing off the day we were all in our houses wishing we were at Wild Adventures on OUR wild adventure!!
